I. WORKSHOP ON EU LAW ON INDUSTRIAL EMISSIONS

Budapest, 3-5 June 2013

National Office for the Judiciary, Hungarian Judicial Academy

Trier, 11-13 September 2013

ERA

Organiser:

ERA (Monika Krivickaite) in cooperation with the European Commission, DG ENV (Contracting Authority) and

Language: English

Objective

The goal of this two and a half day workshop is to develop and raise understanding on the key legal aspects of EU Law on industrial emissions and to exchange views of judges from various Member States regarding this topic.

Key topics

- Relevance of EU law and procedures at the CJEU for the domestic judge
- The new structure of the IED and the links between IPPC/IED and NEC
- BAT conclusions
- Public participation
- Enforcement of EU and national law on industrial emissions with focus on inspections and penalties

Who should attend?

Judges from all EU Member States who are interested in environmental law and particularly in the EU law on industrial emissions.
